

## Building a Better Culture for the F&B Industry – With More than Just Food! 建立優質餐飲文化 – 不只是食物

Nowadays, customers' demands on catering quality are constantly rising. In addition to becoming more and more particular about food quality, the overall food, environment and service experience also affect customers' evaluation. To create a high-quality catering culture, there are many companies on the market that provide additional products or services on top of food, offering optimised services for catering venues such as restaurants, bars and hotels, etc.

現今顧客對餐飲要求不斷上升，除了對食物質素愈趨講究，整個飲食、環境和服務的體驗也影響顧客的評值。要打造優質的餐飲文化，市面上有不少公司都提供食物以外的產品/配套，為食肆、餐廳及酒店等餐飲場地提供優化服務。

As the leading exhibition in the F&B industry, RBHK has a designated sector for "Equipment, Design Supplies and Technology", where exhibitors can promote their products and services to 8,000+ industry buyers. We're happy to announce the following exhibitors have already joined RBHK 2024:
