

Dear Visitors,

## **Re: Restaurant & Bar Hong Kong X Gourmet Asia 2019**

The 2019 edition of the Restaurant & Bar Hong Kong X Gourmet Asia, organised by Informa Markets, will be held as scheduled from September 3 to 5 at the Hong Kong Convention & Exhibition Centre. Due to recent public incidents in Hong Kong, we recognise, and are addressing, the concerns expressed by some exhibitors and visitors on security matters and the fair's operational requirements.

With reference to recent trade fairs in Hong Kong such as the Hong Kong Book Fair and Ani-Com & Games Hong Kong, the above-mentioned public incidents had up to now minimal impact on these shows. Both shows concluded successfully without any disruption to exhibitors and visitors.

We are pleased to share with you the news that RBHK X GA is shaping up to be the best yet in the show's 16-year history. Over the years it has forged a remarkable F&B scene in Hong Kong, one that has spawned diversity and creativity in food preparation, business operation and dining concepts. With the incorporation of the real fine dining exhibition Gourmet Asia and the co-location of the all-time favourite Natural & Organic Asia, the show will elevate to the next level, setting higher industrial standards and encouraging a more dynamic food culture to sprout across the city.

The entire F&B industry has come together for this show – over 300 brands and 12,000+ trade buyers from around the world are gearing up for the unprecedented industry meetup.

Rest assured that contingency measures including special move-in/move-out arrangements and extending hours will be adopted if necessary. We are working with the

venue management teams, contractors and suppliers on this and will continue to closely monitor the situation and issue further updates.

Should you have any questions, please feel free to contact our local sales representatives. We look forward to welcoming you at the show!

For more information about the show, please visit <https://www.rbhk-ga.com>.

Yours sincerely,

Show Management
